ABOUT COMPANY

Welcome to Azerus India Bizcorp Private Limited, a Mumbai-based Construction Company that has been at the forefront of providing comprehensive infrastructure and civil execution services since 2006. At Azerus, we redefine construction as more than a mere assembly of building blocks. Instead, we bring a visionary perspective to every project, coupled with an unwavering attention to detail.

As the proud parent company, we introduce AA CIVILCON, a dedicated entity under Azerus India Bizcorp Private Limited. AA CIVILCON is committed to offering a personalized approach to construction, blending a profound interest in the field with a thorough understanding of building elements. Our commitment is to seamlessly integrate your aspirations with top-notch quality and timely delivery, all delivered with utmost transparency.

Founded on the principles of space planning, design, core construction, and infrastructure execution, our journey is guided by precision in every aspect. Both of our founders bring a wealth of individual partner experience and a robust business track record, boasting specialization in contracting and execution.

At Azerus India Bizcorp Private Limited, we embark on a mission to revolutionize the civil execution ecosystem, ensuring that each project reflects our dedication to excellence and innovation.

OUR VISSION

At AZERUS INDIA BIZCORP PRIVATE LIMITED, our vision is to carve an engineering niche in infrastructure and civil construction that transcends the ordinary. We are dedicated to achieving excellence by seamlessly blending precision in aesthetics, thereby establishing the perfect equilibrium between time and quality.

The core of our vision lies in the understanding that achieving perfection is not just about meeting deadlines or adhering to quality standards—it's about striking the right balance between the two. We recognize the significance of time in the fast-paced construction industry, but we also understand that true excellence demands an unwavering commitment to quality.

In our pursuit of excellence, we are driven by the belief that each project should be a testament to the harmonious fusion of art and engineering. Our commitment to achieving this balance is reflected in every phase of our work, from meticulous planning and design to precise execution.

As we carve our engineering niche, we aspire to be recognized not only for the structures we build but for the lasting impact they have on the landscape and communities they serve. AZERUS INDIA BIZCORP PRIVATE LIMITED is dedicated to redefining the standards of infrastructure and civil construction, where precision meets aesthetics to achieve the perfect balance between time and quality.
